RESPONSE

Dear Sir:

In response to the Notice to Comply With Requirements for Patent Applications Containing Nucleotide Sequence and/or Amino Acid Sequence Disclosures, please insert the following amendments in the above-referenced patent application:

In the Specification:

Please insert the enclosed Sequence Listing in written form after the last page of the specification. A copy of the Sequence Listing in computer readable form is also enclosed.

REMARKS

This amendment does not introduce new subject matter as support is found in the application as filed.
